Skills

Refinery Digital Solutions
Smart Manufacturing Solutions
Six Sigma and Lean
Quality Metric Tools
AGILE
Project Management
Customer Relationship Management
Business Development

Tools/Platforms

APC/DMC 3/5
Simulation 4/5
MES/Digital Solutions 4/5
Distributed Control Systems 4/5

Programming Skills

C 3/5
C++ 3/5
Blue J Java 3/5
VB/Excel 3/5

Certifications

Six Sigma -Green Belt

2002-2006

Bachelor of Technology

Chemical Engineering

University Department Of

Chemical Technology NMU

Process Optimization & Simulation| Advanced Process Control| Industry 4.0 Solutions| Digital Technologies| Product Testing | Quality Management| Client Expectation Management| Operational Excellence| Team Leadership| Research and Analysis| Process Improvements

Major Engineering and Technology Company, NCR

Senior Technical Engineer (Current)

(Refinery Digital Solutions Suites)

Project Engineering and Delivery of Advanced Solutions for Refinery, Oil & Gas industry across the globe

2019

Leading Engineering Solutions Service Provider, Pune

Key Accounts Manager (Jun 2018 – July 2019)

(Refinery Digital Solutions Suites)

Advanced process control project design and delivery| Managing site deployment| Acceptance tests| Design and Delivery of Refinery wide Production Balance and Reconciliation system| Project life cycle management

2018

Honeywell Technology Solutions Private Limited
