Profile Snapshot

- **B.Tech. (Mechanical) with over 10+** years of experience in Project Management and Co-ordination for plant engineering, erection and commissioning.
- Experience in managing project activities ensuring timely deliveries as per defined timelines and quality standards. Strong skills in client relationship management.
- Efficient in liaising and consulting for Technical Readiness, Business Development, Quality Management, Productivity and Risk Management.
- Exposure in leading teams during the project phase, training and guiding team members and enabling knowledge sharing among the team.
- Ability to acquire a clear understanding of the industry, technology trends with the distinction of instituting new practices to achieve business excellence while reducing overall operational cost.
- Possess strong communication, analytical, analysis/ mapping and negotiation skills.

Role as Asst. Manager

- **Taking final sign off from operation team for all deliverables. (Mechanical piping and plant packages HVAC, Cooling Tower)**
- **Currently working as Discipline lead (Mechanical Construction Lead) in Larsen & Toubro Technology Services Limited, Vadodara.**
- **Currently working since Dec-18 as a Mechanical lead for**
 - **LTTS client M/s Coca-Cola, Nepal for process plant erection and commissioning working since 21st Jan-2019 till now posted in Nepal.**
 - **Before that M/s Beiersdorf (Nivea) India Ltd (Ahmedabad) for shut- down project to integrate existing and new plant: -**
 - **Working since Sep-18 as a Mechanical lead for LTTS client M/s Pernod Ricard (Nashik), for green-field project it is one of the leading distillery name in the world.**
 - 1. **Handling different mechanical packages such as: -**
 - a) Boiler
 - b) ESP
 - c) Ash Handling Unit
 - d) Tank fabrication and Erection
 - e) ETP & CPU
 - f) Process Piping
 - g) Fire-Fighting
 - h) HVAC
- **Erection, execution and Commissioning Chillier, PAC, Side Stream Filters, PHE, Pumps, HVAC systems and firefighting system. (Mechanical & HVAC Equipment's)**
- **Fabrication, Execution, commissioning and cathodic protection of Underground piping, Raw Water piping, Fire Water piping and HVAC piping (Process Piping)**
- **Inspection of surface preparation of Wrapping Coating & Holiday Test (U/G) & Cold Insulation of Chilled Water Piping (A/G & U/G).**
- **Material inspection during work execution as per specifications. Certifying measurements.**
- **Chemical flushing of piping.**
- **Monitoring and checking of Billing of Vendor**
- **All planning activities, documentation activities**
- **Maintaining material flow to mechanical vendor.**
- **Procurement and Vendor Management follow-up, expediting, aligning kick-off**

meetings with vendors.

Areas of Expertise

- Enquiry generation, follow up and interaction with design department for related drawings of Isometric Piping Drawings.
- Quantity of material to be used for the projects as per drawings.
- Client dealing related to complete the project by the consultant.
- Good knowledge of studying drawings of Isometric Piping Drawings.
- Welding "Argon and Arc welding.
- Quality checking of spools and welded joins.
- Inspection the piping material as per codes & process standard specification.
- Prepare weld mapping of isometric drawing, dimensions & material check of completed spools.
- Perform inspection of fit ups & dimensional as per isometric & specification.
- Verify that the edge preparation /joint geometric meet the requirement of the welding procedure & drawing.
- Coordination with QA/QC testing group in the preparation test requirement of each test pack & facilitate close out of any outstanding punch items before & after the pressure tests.
- Co-ordination with client inspector for final inspection of hold & witness point of inspection.
- Monitor the work progress and ensure uniformity & consistency in the application of procedure in conformance of project specification requirement.
- Coordinate with the client representative regarding vendor material & fabricated spools inspection acceptability concerning dimensions, installation, welding according to design specification.
- Construction Co-ordination with contractors as well as client for ensuring proper progress.
- Planning and Execution.
- To schedule for hydraulic test.
- Heavy Equipment Erection.
- Quality Inspection.
- HVAC erection and commissioning.

Project Management

- Monitoring project activities ensuring completion of same within time and budget.
- Carrying out project related activities involving Cost Estimation, Allocation, Risk Analysis, Configuration Management, Feasibility Analysis, etc.
- Conducting project assessment and feasibility determination.
- Coordinating with project team for effective delivery of solutions keeping all parameters in consideration.
- Setting technical environment and quality standards for the project under consideration.
- Coordinating with the client for the entire project cycle from conception to final submission with the necessary technical support.
- Leading and managing the project teams throughout the project lifecycle, providing support and guidance on technical and project-related issues.
- Planning, Budgeting and Scheduling of live project.

Scholastics

- **Project Construction and Business Management** from **MIT, PUNE.**
- **B.Tech. (Mechanical)** from JNNCE, Shimoga (Bangalore)
- 12th from E. Rly. Boy's. H.S. School. School, ASANSOL, West Bengal
- 10th from E. Rly. Boy's. H.S. School, ASANSOL, West Bengal.

IT Expertise

- Publishing Tools MS Office, Adobe Acrobat Tools,
- Project Management Tools MS PROJECT.
- Operating Systems Windows 10

Career Contour

3rd May 2018 to Present: -	L&T Technology Services (Grade-LTTS4)
February 2015 – 25th April 2018	Reliance Jio infocom Ltd as Asst. Manager
DEC 2009 – February 2015	B.L. Kashyap & Sons Ltd as a Sr. Mechanical Engineer
SEP 2009 – DEC 2009 Trainee	SIMPLEX INFRASTRUCTURE Ltd as a Management

Projects Handled:

In Reliance Project: - Internet Data Center (IDC Jamnagar) Erection, Commissioning, Project Management and Procurement & Vendor Management.

Previous Project: -

AIIMS Patna (Hospital Project)

Personal Dossier

Date of Birth	03 rd March 1981
Languages Known	English, Hindi, & Bengali.
Current CTC	12 lakhs per anum.
Total Experience	10+ years.
Passport number	S3278490
Interests- Trekking, Leisure Traveling, Reading, Watching /Analyzing Cinema and Achieving Targets against all odds.
