LinkedIn® Recruiter

7 people have recommended Dr. Vaishali

"Dr. Vaishali is a highly-qualified compliance regulator with years of experience in the Indian and US pharmaceutical industry. She was highly responsive to our needs as a client and to the needs of her company's customers. Very knowledgeable and pleasant to work with."

—Dave Vitt, Senior Director, Co-Founder, ProPharma Group (formerly PI-ARM, Advanced Response Management), was a consultant or contractor to Dr. Vaishali at Lupin Pharmaceuticals

"Vaishali is both tenacious and passionate about what she does. Her role in Quality is perfect for her mindset, always probing and always preparing. She would make a great chess player, with her intellect and desire to win at all costs. It's a charm to have her on your side, and I can imagine it would be difficult to face her. Love working with her and I would like to follow her as she grows into an established leader within the industry."

—Manish Soman, President & CEO, Sciformix, managed Dr. Vaishali indirectly at Sciformix Technologies Pvt Ltd.

"My interactions with Vaishali have been from the days that she has been in India as a part of our CQA team and it has always been a pleasant experience. Vaishali has been our lead for the Quality Compliance team in the US market and has played a stellar role in extending Lupin's "Quality First" mission over the years, which has ensured that the company continues to ensure good quality practices been implemented for each product that we sell in the marketplace."

—Chandan Prabhu, Sr. GM - Global Demand Planning, Lupin, worked with Dr. Vaishali at Lupin Pharmaceuticals

"Dr. Vaishali is a highly qualified Quality professional in the pharmaceutical industry that shows great attention to detail and conducts herself as a professional at all times. Carlton Hamilton"
